DESCRIPTION

This men's coat/trench combines a practical outdoor cut (raglan sleeves, articulated elbows) with a 100% nylon shell and PU lining featuring taped seams for waterproof performance. Fully mesh-lined for comfort and breathability, it is offered in several colours such as Black, Classic Red and French Navy, and sizes XS to XXL.

Details designed for real use include a 3-piece packable hood, a soft inner collar and reversed YKK zips; the main zip is covered by a storm flap for added protection. Zipped hand-warmer pockets and an internal phone pocket add functionality, and a concealed opening at the hem facilitates decoration.

This personalised coat/trench can be decorated from one piece using screen transfers, Transfert MSO, DTF printing, flex or embroidery. Suitable for companies, sports clubs, associations, events and private customers — our graphic studio can vectorise and prepare your logo for production.
