DESCRIPTION

Men’s softshell with a fitted cut, engineered for active use thanks to stretch fabric and articulated elbows for full freedom of movement. Constructed from a 3-layer polyester softshell with a microfleece collar lining, it features a durable DWR water-repellent finish and good breathability. Available in several colours (including Black, French Navy, Titanium) and sizes S to XXL, it balances light weather protection with thermal regulation. Follow the manufacturer’s care instructions to maintain the DWR finish and 3-layer integrity.

Practical details include precision-cut zipped pockets with matte waterproof zips on the chest and sleeve, an internal pocket for an MP3 player, two-position adjustable cuffs and a central YKK zip. Underarm panels improve ventilation during high activity, and the overall finish emphasises functional, low-profile performance.

Customisable from one piece, this softshell is suited to companies, sports clubs, associations, schools and events. Possible personalisation methods: screen printing (Transfert Sérigraphique), MSO transfer, DTF printing, flex (heat transfer vinyl), embroidery. Our graphic studio can retouch or vectorise your logo; free quote within 24 hours on weekdays. Standard production 10 working days; collection in our Evere workshop or delivery in Belgium, France and Luxembourg.
