DESCRIPTION

This women's stretch polo offers a very soft handfeel and a slim cut designed for a feminine fit. The cotton-Lycra blend provides lasting shape retention and ease of movement; the four-button placket and short stand collar give a tidy finish. Available in several colours and sizes from XS to XXL, it suits everyday wear and light professional use and is easy to care for.

The image shows a close-fitting silhouette with short sleeves, ribbed collar and sleeve hems, plus discreet side splits with reinforced chevrons. Shoulder reinforcement improves the garment's fit and durability.

This personalised polo can be ordered from one piece and customised using screen printing, MSO transfer, DTF printing, flex or embroidery. Recommended for companies, sports clubs, associations, schools and private customers; our graphic studio can refine or vectorise your logo before production.
