DESCRIPTION

Men’s slim-fit polo made from 95% cotton and 5% Lycra for a comfortable, slightly elastic fit and a very soft handfeel. It features a short fold-down collar and a three-button placket with contrasting buttons, plus ribbed collar and sleeve hems for a neat finish. Available in several colours and sizes S–3XL, the Lycra content helps the polo keep its shape through regular wear and washing.

Functional details include shoulder reinforcements and side vents with chevron reinforcement to improve durability. The sleeves are close-fitting and the clean seams and slim cut provide a tailored look without restricting movement—practical for everyday workwear or club use.

This personalised polo can be customised from a single piece using screen transfer, MSO transfer, DTF printing, flex (flock/flex) or embroidery. Recommended for companies, sports clubs, associations, events and private customers. Free quote within 24 hours on weekdays; our studio can vectorise or retouch your logo.
