DESCRIPTION

Men's polo in a straight cut, designed for everyday and professional use. Made from 100% ring-spun combed cotton with a double honeycomb piqué for softness and durability. The garment is pre-shrunk and machine washable at 60°C and is suitable for tumble drying. It comes in several colours including Black, French Navy and White, and in sizes XS to 4XL.

The polo features a three-button ton-on-ton placket and short sleeves with ribbed cuffs. Practical details include reinforced shoulder seams, a herringbone tape at the collar and side vents, and a spare button tucked into the side seam. The smooth surface of the fabric provides an excellent base for printing.

This personalised polo can be ordered from one piece and is well suited for companies, sports clubs, associations, schools, youth movements and private customers. Personalisation techniques available: screen printing, DTF printing, transfer, flex (flocking) and embroidery.
