DESCRIPTION

Women’s cardigan in a CottonBlend (50% cotton / 50% polyacrylic) with a classic V-neck and set-in sleeves. It features tone-on-tone buttons and ribbed cuffs and hem with elastane for improved shape retention. The fabric is soft, resists creasing and provides thermal comfort; the 275 g/m² weight gives a balanced feel between warmth and lightness. Available in several colours, including Black, Charcoal Marl and French Navy, in sizes XS to XXL.

The cardigan offers a clean, versatile silhouette suitable for professional or organisational wear: a neat neckline, standard armholes and a ribbed hem that defines the waist without restricting movement. Care is straightforward thanks to the cotton/polyacrylic blend which minimises wrinkling.

This personalised cardigan can be ordered from one piece and is ideal for companies, sports clubs, associations, schools, youth movements and private customers. Customisation techniques: screen printing (transfer sérigraphique), MSO transfer, DTF printing, flex and embroidery. Our studio can retouch or vectorise your logo prior to production.
