DESCRIPTION

Women's fleece jacket with a tailored cut, made from 100% polyester with a compact, anti-pilling finish that provides warmth and comfort. The smoother surface makes decoration easier and the garment is available in several colourways and sizes XS to XXL, suitable for company wear, sports teams and associations.

Practical features include a tone-on-tone front zip, side zipped pockets with mesh lining and an adjustable drawcord at the waist for a neater fit. Clean seams and quality finishes ensure the jacket retains its shape and presents well after repeated laundering and decoration.

Customisation available by embroidery, the recommended technique for this material: perfect for businesses, clubs, associations and private customers looking for a personalised fleece. Orders can be personalised from a single piece and our studio can refine or vectorise your logo before production.
