DESCRIPTION

Men's fleece jacket in polyester, designed to deliver warmth and everyday comfort. The compact brushed fabric has a smooth, anti-pilling surface that is easy to care for; the photo shows a stand-up collar and a full-length zip to help retain heat. Available in several colours and sizes S to 4XL.

The jacket features zippered side pockets with a mesh inner lining and tone-on-tone zips; a waist drawcord allows an adjustable fit. Construction and finishes reduce pilling and provide a stable surface for decoration.

This product is available for personalisation from one piece and is suitable for companies, clubs, associations and private customers. Customisation by embroidery (broderie / borduren) is possible. Our studio can vectorise or retouch your logo before production.
