DESCRIPTION

This men's sleeveless fleece features a straight cut and a compact brushed face in 100% polyester, designed to provide warmth without bulk. The anti-pilling surface keeps the outer face smooth to ease care and decoration. It is available in several colours, for example Black and Convoy Grey, and in sizes from XS to XXL to fit different teams and staff.

Built for everyday use, the vest includes a tone-on-tone zip and side pockets with reversed zips and a mesh inner lining for comfort. A drawcord at the waist allows adjustment of the fit. The smooth outer face makes it easy to layer over a polo or under a jacket.

This personalised fleece can be customised from one piece and is suitable for companies, clubs and associations wanting branded outerwear. We offer embroidery as the recommended marking method, with a graphic studio available to vectorise or refine your logo.
