DESCRIPTION

This unisex zipped fleece combines warmth with easy care. Made from brushed polyester (320 g/m²) it has a smooth, anti-pilling surface that keeps its look wash after wash. The straight cut allows room for a base layer and the half-zip with a stand collar makes temperature adjustment straightforward. Available in several colours, including Black, Convoy Grey and French Navy, and in sizes S to XXL.

The jacket features zipped side pockets with reversed zips and a mesh inner lining for added comfort. Tone-on-tone zips and an adjustable drawcord at the waist improve fit without adding bulk. Clean finishes and discreet seams make it suitable for regular use.

This personalised fleece can be embroidered (embroidery) from one piece, a reliable option for durable logos. Recommended for companies, sports clubs, associations, schools and individuals for teamwear, events or branded gifts.
