DESCRIPTION

Men’s shirt with a tailored fit, designed for professional or formal wear. Made from Oxford fabric (70% cotton, 30% polyester), it combines structure with easy care and minimal creasing. The shirt features a stiffened Kent collar with reinforced points and long sleeves with rounded adjustable cuffs for a clean finish. It comes in several colours, including Oxford Blue and White, and is available in sizes S to 3XL.

The fabric gives a substantial look suitable for office wear or events. A traditional button placket and adjustable cuffs make it practical to wear while the tailored cut ensures a neat silhouette and reliable durability where neat presentation matters.

This shirt can be personalised from a single piece and suits companies, sports clubs, associations and private customers seeking a professional result. Marking options include screen printing (screen printing), Transfer, DTF printing, flex (heat transfer) and embroidery. Our graphic studio can retouch or vectorise your logo prior to production.
