DESCRIPTION

Fitted men’s long-sleeve shirt in poplin (97% cotton, 3% elastane), designed for a slim yet comfortable fit. The stretch fabric provides ease of movement while keeping a neat silhouette. Features a fitted cut, semi-spread Italian collar and a 7-button placket with matching buttons; rounded two-button cuffs for a refined finish. Easy-care poplin makes it suitable for professional wear.

The image shows the slim fit, tailored collar and curved hem which offer a smart appearance when worn with trousers. Visible finishing details — including the single mother-of-pearl collar button and discreet stitching — underline the garment’s quality. Available in several colourways such as Black, Chocolate and White, and sizes S to XXL.

This personalised shirt can be ordered from one piece and marked using several techniques: screen print transfer, MSO transfer, DTF printing, flex and embroidery. Recommended for companies, sports clubs, associations, schools and private customers. Our design studio can retouch or vectorise your logo prior to production.
