DESCRIPTION

Women’s long-sleeve shirt in a modern, fitted cut designed for professional wear. The cotton and elastomultiester blend delivers stretch, comfort and moisture management, with Lycra® T400 providing lasting shape. It is offered in several colours including Black, Bright Navy and White and in sizes XS to XXL, suitable for corporate uniforms, teams and events.

The photograph shows a concealed button placket and princess panels that create a clean, seam-free side profile. Darts at the back provide shaping and the Napolitan cuffs finish the long sleeves neatly. The modern collar and tailored silhouette ensure a smart presentation; follow textile care guidance for mixed-fibre garments.

This personalised shirt can be decorated by embroidery, DTF printing, screen printing, transfer and flex (heat transfer). Recommended for companies, sports clubs, associations, schools and private customers. You can personalise from one piece and our studio will assist with logo vectorisation and artwork preparation.
