DESCRIPTION

A men's long-sleeve shirt in a tailored fit, designed for professional wear with comfort in mind. Made from 75% cotton and 25% elastomultiester (Lycra® T400), the fabric provides softness, stretch and moisture management to keep you comfortable throughout the day. It features a semi-spread collar and a narrow button placket for a modern, understated look. Available in several colours including Black, Bright Navy and White, in sizes S to 3XL.

The shirt includes back darts for better shape and long sleeves finished with square cuffs with an option for cufflinks, as visible in the photo. The stretch in the fabric allows freedom of movement despite the slim cut. Care is straightforward for this cotton blend—please follow the manufacturer's care label.

This item is ideal as a personalised shirt for companies, clubs, associations or events and can be customised from one piece. Possible printing and marking techniques: screen printing, transfer, DTF printing, flex and embroidery. Our graphic studio can retouch or vectorise your logo prior to production.
