DESCRIPTION

Women’s fitted shirt in a cotton/polyester blend (84/16), designed for professional wear and everyday comfort. The chevron-structured fabric offers a refined alternative to Oxford cloth. It features a modern collar, a narrow button placket and bust darts with a shaped hem at front and back for a tailored silhouette. EasyCare finish makes laundering simpler.

Long sleeves with narrow cuffs and a slightly extended wrist provide a neat, composed look. The gently curved hem allows the shirt to be worn tucked or untucked while keeping a clean line. Offered in several colours including Light Blue and White, and available in sizes XS to XXL.

This personalised shirt can be customised from one piece for companies, clubs, associations, events and private customers. Printing and marking options include screen transfer, DTF printing, flex and embroidery. Our studio can vectorise or retouch your logo and prepare it for the chosen technique in the quote.
