DESCRIPTION

The Bambino baby body is a unisex garment made from combed ringspun cotton, offering a soft, comfortable feel against delicate skin. It features an envelope-style neckline, short sleeves and popper fastenings at the crotch for easy dressing and changing. Available in several colours and in sizes XXS to M, it is suitable for everyday wear for infants and toddlers.

Practical details include reinforced sleeve and leg openings and American armholes for a secure fit and good shape retention after washing. Its simple, compact cut works well as a base layer or as a standalone piece in warmer weather. Follow the manufacturer’s care instructions to preserve the fabric’s appearance and softness.

This personalised body can be decorated by screen printing, DTF printing, flex or multicolour transfer according to the desired finish. Ideal for nurseries, schools, associations, clubs and events. Minimum order: 50 pieces (colours and sizes combined). Our studio can retouch or vectorise your logo before production.
