DESCRIPTION

The North Kids fleece jacket for children combines warmth and everyday comfort. Its short cut and lined stand-up collar complement a PET microfleece of increased density (300) with anti-pilling treatment for improved durability. Offered in several colours (for example Bordeaux, Black, Navy) and sizes L to 5XL, this fleece works well as a mid-layer and can be laundered following standard care for synthetic fabrics.

The jacket features a full-length zip, two zippered pockets with flaps and elasticated cuffs to limit draughts; the hem has an elastic drawcord and there is a back half-moon for easier movement. These practical details make it suitable for school use, club outings and outdoor activities.

This item is available as a personalised fleece using DTF printing or embroidery depending on the desired finish. Minimum order: 10 pieces (colours and sizes combined). We provide a free quote within 24 hours on weekdays and offer a graphic studio to vectorise or retouch your logo — ideal for companies, sports clubs, associations, youth movements and private customers.
