DESCRIPTION

Unisex Blizzard neck gaiter in size M, designed to keep the neck warm. Listed as made from cotton, it offers a soft, substantial feel for comfort and insulation. The tubular cut allows it to be worn as a gaiter or pulled up as a hat, and it can be laundered following standard cotton care instructions.

The item features an adjustable elastic cord with a stopper to tailor the fit and reduce drafts, with stitched edges for a tidy finish. It is available in several colours, for example Noir, French Marine and Anthracite.

This personalised neck gaiter can be customised by screen printing, DTF printing, flex, multicolour transfer or embroidery. Suitable for companies, sports clubs, associations, schools and events. Please note a minimum order of 100 pieces (colours and sizes combined). Free quotes within 24 hours on weekdays and our studio can revise or vectorise your logo.
