DESCRIPTION

Unisex football socks in a PET-cotton knit with size and logo in jacquard. Made to be worn with shin pads, they are offered in several colours — for example Black, White or Royal — and in three sizes (M to XL). The visible ribbed shaft provides support and elasticity while the shaped foot follows the foot's anatomy to reduce creasing.

Details include an elastic top cuff to keep the sock in place during play and ribbed construction on the leg as seen on the photo. The PET-cotton blend gives a balance of durability and comfort; care follows standard sports textile washing instructions.

These socks are available from a minimum order of 50 pieces (colours and sizes combined). We supply personalised socks using screen printing, DTF printing, flex or multicolour transfer, ideal for clubs, companies, associations, schools and events. Free quotes within 24 hours on weekdays and an in-house graphic studio to prepare or vectorise your logo.
