DESCRIPTION

Men's crew neck sweatshirt with a tubular cut, made for everyday comfort. The Spider features a brushed fleece interior and ribbed trims at the neck, cuffs and hem for a tidy finish. Available in sizes S to 3XL and several colours such as Black, Royal and White Melange. The garment combines cotton and polyester with set-in sleeves for a straight, versatile fit.

The sweatshirt shows a reinforced round neck, elastane rib cuffs and hem to help preserve shape, and clean construction suited to frequent wear by teams or staff. The tubular build eliminates a side seam for an even drape and increased comfort when worn.

Order this personalised sweatshirt using embroidery, flex, screen printing, DTF printing or multicolour transfer. Ideal for companies, sports clubs, associations, schools and private orders. Minimum order: 15 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; standard production 10 working days. Our design studio can retouch or vectorise your logo. Collection in Evere or delivery to Belgium, France and Luxembourg.
