DESCRIPTION

Designed for active men, the Performer Men short-sleeve polo is made from PET (polyester piqué) and combines a classic cut with technical details. It features a three-button placket and a flat collar for a smart look, side vents for freedom of movement and a contrast neck tape for a neat finish. Available S to 3XL and offered in several colours (for example White, Black, Pure Grey), it suits sports teams and lightweight corporate uniforms.

The fit is tailored yet comfortable, with visible finishes — piped placket and side vents — that improve wear and durability. The fabric is suitable for sublimation, allowing vivid prints with good resistance for frequent use.

This personalised polo can be customised by screen printing, DTF printing, flex, sublimation or multicolour transfer. Minimum order: 25 pieces (colours and sizes combined). Ideal for companies, sports clubs, associations, events and private customers; our design studio can retouch or vectorise your logo prior to production.
