DESCRIPTION

The Ride Men puffer jacket is a slim-fit men's outer layer made from RPET with 180g/m² padding, providing light insulation and comfort. It features a stand collar, central zip fastening and two zipped side pockets for secure storage. Both outer and lining fabrics are polyamide, with tonal bias finishes at the cuffs and hem for a clean look; follow the manufacturer's care instructions.

Horizontal quilting gives the jacket a streamlined profile and technical appearance, while the close cut suits it for commuting, corporate casual wear or team events. Available in several colours, including Black and Navy, and sizes S to 3XL.

Customisation available as a personalised puffer jacket by embroidery. Minimum order: 5 pieces (colours and sizes combined). We supply personalised items for companies, sports clubs, associations, schools, youth movements and private customers; our studio can retouch or vectorise your logo. Free quote within 24 hours on weekdays; collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
