DESCRIPTION

The Race Women softshell is a women's fitted softshell featuring a stand-up collar and full-length zip, with two zipped side pockets and a fleece inner lining for added warmth. Its two-layer softshell construction combines a stretch polyester exterior (stock transitioning to 100% recycled polyester) with a soft inner face, giving wind resistance and a clean, professional appearance. Offered in several colours and in sizes S to XXL.

Practical details include discreet seams, integrated zipped pockets suitable for a badge or small essentials, and a full zip that makes the jacket easy to put on and adjust. The polyester/elastane blend keeps care straightforward while maintaining shape and comfort during wear.

This personalised softshell is ideal for companies, sports clubs, associations or events and is available from a minimum order of 5 pieces (colours and sizes combined). Customisation techniques: embroidery and multicolour transfer.
