DESCRIPTION

The Race Men softshell jacket is a straight-cut men's softshell designed for everyday wear in cool conditions. Constructed from polyester/elastane with a fleece lining, it offers stretch and thermal comfort while remaining lightweight. It is available in multiple colours, including Black, Royal and Army, and comes in sizes S to 4XL. Note: this item requires a minimum order of 5 pieces (colours and sizes combined).

Visible details include a full-length front zip, two zipped side pockets for secure storage and a stand-up collar for neck protection. The clean lines and long sleeves make it suitable for professional, sporting or association use. The two-layer softshell build with fleece interior provides structure and warmth; stock is transitioning towards recycled polyester.

This softshell is intended for customisation by embroidery or multicolour transfer. Well suited to businesses, sports clubs, associations, schools and private events, it can carry your logo or message. Our artwork studio can vectorise or refine your logo before production.
