DESCRIPTION

The San Siro Kids 2 short is a children's sports short in polyester interlock (PET composition), designed for school and athletic activities. It has a straight cut ending above the knee, offering lightweight comfort and freedom of movement. An elasticated waistband with drawcord provides secure, adjustable fit; care is straightforward as with typical polyester garments.

Reinforced seams and hems visible on the image increase durability for regular use. The design is clean with no visible pockets, making it easy to pair with shirts or tracksuit tops. Available in several colour options, for example White, Royal, Black.

Personalisation is available — personalised short — using screen printing, embroidery, DTF printing, flex or multicolour transfer. Ideal for sports clubs, schools, associations, businesses and private customers. Minimum order: 13 pieces (colours and sizes combined). Our design studio can retouch or vectorise your logo and a free quote is provided within 24 hours on weekdays.
