DESCRIPTION

The Miles Women is a women's round-neck t-shirt, cut-and-sew with short sleeves, made from cotton. It offers a straight, comfortable fit with tidy finishing; the inside of the neckline features a chambray detail for a discreet, durable touch. The model is offered in several colourways — for example White and Navy — and in sizes XS to XXL.

The construction and seams provide a clean look without being tight, suitable for everyday wear in professional or association contexts. The neckline finishing and stitch work are designed to withstand regular washing, making it practical to wear alone or layered under a light jacket.

This personalised t-shirt can be customised by screen printing, DTF printing, flex, multicolour transfer or embroidery, depending on the desired effect. Ideal for companies, sports clubs, associations, schools, youth movements and private customers. Minimum order: 25 pieces (colours and sizes combined).
