DESCRIPTION

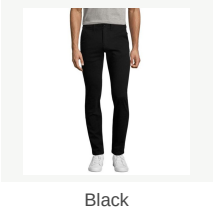

The Jules Men trousers are a smart, straight-cut option in cotton with a touch of stretch for comfort, designed for everyday wear at work or on the move. They feature a zip fastening, belt loops, two Italian front pockets plus a small front pocket, and two welt pockets at the back. The fabric looks substantial and structured in the photo, providing a neat silhouette and reliable wear. Machine wash according to standard cotton care instructions.

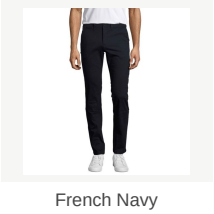

Practical details — belt loops, the additional front pocket and welted rear pockets — make the trousers functional while maintaining a professional appearance. The straight leg gives a clean fall without being overly slim, pairing well with dress shoes or minimalist trainers.

These trousers can be personalised for companies, sports clubs, associations or individuals: personalised trousers. Available decoration methods include embroidery, screen printing, DTF printing, flex and multicolour transfer. Offered in several colours (e.g. chestnut, black, anthracite) and sizes XXS to 5XL. Minimum order: 10 pieces (colours and sizes combined).
