DESCRIPTION

The Blake Men shirt is a slim-fit long-sleeve shirt in stretch poplin, designed for professional and polished wear. Made from cotton with added elastane for comfort, it features a modern classic collar and long sleeves. Available in several colours (including White, Dark Blue, Black) and sizes S to 4XL, the shirt has two back darts to create a tailored silhouette while allowing ease of movement. Follow the garment's care label for machine washing and ironing instructions.

Functional details include an 8-button front placket with tone-on-tone buttons and cuff with two buttons and a capuchin placket, delivering clean finishes suited to regular wear in corporate or event settings. The slim cut presents a neat profile without restricting comfort.

This personalised shirt can be marked by embroidery, screen printing, DTF printing, flex or multicolour transfer. Ideal for companies, sports clubs, associations, schools and events. The model is available with a minimum order of 10 pieces (colours and sizes combined). Our studio can retouch or vectorise your logo to ensure a professional print or embroidery.
