DESCRIPTION

Women's fitted bodywarmer designed to trap warmth with horizontal quilting. Constructed from RPET (recycled polyester) for both outer fabric and lining, it features a high collar and a central zip. Cut for a feminine fit, it is offered in several colours (including Black, Dark Pink, Metallic Grey) and sizes S to XXL. Care is straightforward: follow the manufacturer’s washing instructions to maintain loft and the recycled material.

The design includes two zippered front pockets integrated into the side seams, a tone-on-tone hem binding and regular quilted channels that provide structure without bulk. The slim cut works well worn under a jacket or alone during transitional weather.

Customize this personalised bodywarmer using embroidery, ideal for company clothing, sports clubs, associations, schools or events. Minimum order: 5 pieces (colours and sizes combined). Our studio can vectorise and retouch your logo to prepare it for embroidery.
