Country of origin	Bangladesh
Carton	10 pieces

DESCRIPTION

Men's Transformer softshell designed for outdoor use: a straight cut with removable hood and sleeves to adapt to changing weather. Built as a three-layer softshell with a stretch outer face, a TPU membrane for waterproofing and a micro-fleece inner face for warmth and breathability. It features a central zip and three zipped pockets (two side pockets and one chest pocket). Available in multiple colours such as Royal, Black or Anthracite, and in sizes XS to 5XL.

Practical details include drawcords at the hood and hem, neat seams and durable finishing suitable for regular wear. The removable sleeves and hood allow quick conversion from a full jacket to a lighter wind layer, useful across seasons.

This personalised softshell can be finished with embroidery or multicolour transfer. Recommended for companies, sports clubs, associations, schools, events and private customers looking for a technical, brandable jacket. Minimum order: 5 pieces (colours and sizes combined).
