## DESCRIPTION

Unisex 5-panel cap, Bubble model, listed as cotton and designed for comfortable wear. The front panel is foam-backed to keep its shape while the curved peak gives sun protection without bulk. Available in several colours (for example Black, White, Royal) in size M, it is suitable for outdoor events, promotional campaigns and team use.

The construction features a padded front panel and mesh side panels for ventilation. A plastic adjustment strap provides quick, secure fitting. Visible stitching on the peak and neat finishes point to a cap made for regular use; care should follow the textile’s recommendations.

This personalised 5-panel cap can be finished by embroidery, screen printing, DTF printing, sublimation, flex or multicolour transfer. Ideal for companies, sports clubs, associations, events and private customers; minimum order 50 pieces (colours and sizes combined). Our in-house studio can retouch or vectorise your logo before production.
