DESCRIPTION

The Justin Women tank top is a fitted ladies' style with a scoop neck and racerback that frees the shoulders for a comfortable, feminine fit. Cut-and-sew construction in semi-combed ringspun cotton with fine ribbed neck finishing. Available in several colours (including Deep Black, White and Heather Grey) and sizes XS to XXL, this personalised tank top works well for sporty looks and everyday wear thanks to its close silhouette.

The photographed garment shows a long, slim profile without pockets or fastenings, with clean side seams and neat finishing at the neckline and armholes. The jersey knit gives it good structure while remaining flexible for ease of movement. Designed for regular use with straightforward care.

Customisation options include screen printing, DTF printing, flex, multicolour transfer or embroidery depending on the desired finish. Suitable for companies, sports clubs, associations, events and private customers — order requirement: minimum 50 pieces (colours and sizes combined). Our graphic studio can retouch or vectorise your logo; free quote within 24 hours on weekdays and standard production in our workshop.
