DESCRIPTION

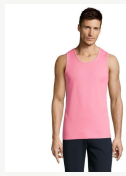

The Sporty Tt Men tank top is a men's straight-cut garment intended for sports and casual wear. Listed as cotton in the product data, it offers a smooth hand-feel and a lightweight appearance across the torso. The round neckline and generous armholes feature neat binding, visible on the photo, providing freedom of movement for training sessions or group activities. Available in several colour options, for example White, Black and Royal, and in sizes S to 3XL.

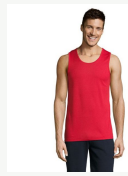

Practical details include bound neck and arm openings, side seams on a classic straight fit, and a clean hem without pockets or fastenings. Care is straightforward — follow the garment label to maintain fit and fabric performance.

This tank top is ideal as a personalised tank top for companies, sports clubs, associations and events. Customisation techniques offered: screen printing, DTF printing, flex, sublimation, multicolour transfer and embroidery. Minimum order: 25 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; graphic studio available to vectorise or refine your logo.
