DESCRIPTION

The Jake Men jogging for men features a slim cut designed for a contemporary, close fit. Woven from brushed molleton combining cotton and polyester, it delivers comfort and warmth without bulk. The elasticated waistband with drawcord allows easy adjustment; two side pockets and a single rear patch pocket provide discreet storage. Ribbed 2x2 waistband and cuffs ensure good hold and reduce drafts. Available in several colours and sizes XS to 3XL, it is suited to teams and casual workwear.

In everyday use the slim silhouette and rib finishes keep their shape when cared for correctly. The tapered leg and fitted cuffs create a modern profile while the seam work remains understated and durable for frequent wear.

This jogging is ideal as a personalised jogging for companies, sports clubs, associations, schools and private customers: customisation by screen printing, DTF printing, flex or multicolour transfer.
