DESCRIPTION

The Jake Women jogging bottoms are a slim-fit ladies' pant designed for everyday wear or light training. Made from brushed fleece (50% cotton / 50% polyester), they combine a close-fitting silhouette with enough freedom of movement for casual or team use. Available in several colours, for example Noir and French Marine, and in sizes XS to XXL.

The design features an elasticated waistband with drawcord, a single patch back pocket and 2x2 ribbed cuffs at waist and ankle for secure fit. The fleece fabric provides warmth and a soft handle while maintaining practical durability for regular wear. The slim cut keeps the look neat under jackets or team tops.

These joggers can be personalised for companies, sports clubs, associations, schools or private customers using screen printing, DTF printing, flex and multicolour transfer. Minimum order: 10 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and an in-house design studio is available to vectorise or refine your logo. Ideal as personalised jogging.
