DESCRIPTION

This men’s fleece in a straight cut, the Norman Men, is made from PET polyester to provide lightweight insulation for everyday wear. It features a high zipped collar, a full front zip and two zipped side pockets to keep belongings secure. Available from S to 5XL and offered in several colours including black, anthracite and navy, it suits professional teams, clubs and events. Care is straightforward, consistent with polyester fabrics.

The product image shows a clean, understated finish with discreet seams, long sleeves and a straight hem — a practical layering piece that works well over a tee or under a shell jacket. The classic fit ensures ease of movement and regular wearability for work or leisure.

The Norman Men is available from 10 pieces (colours and sizes combined). We provide personalised fleece options by embroidery and DTF printing. Ideal for companies, sports clubs, associations, events and private customers; our studio can retouch or vectorise your logo and we supply a free quote within 24 hours on weekdays.
