DESCRIPTION

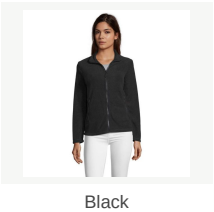

The Norman Women fleece is a zipped women’s jacket with a tailored yet comfortable fit. Made from PET polyester fleece, it features a stand-up collar and a full-length zip for practical everyday use. Offered in several colours (for example Red, Black, Navy) and sizes S to 3XL, it provides a lightweight, insulating layer suitable for teams, clubs or staff needing a smart casual outer layer.

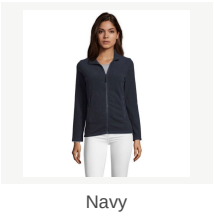

The photo shows a clean finish with discreet seams and a lightly contoured, feminine cut; two zipped side pockets secure small items. The fabric has a soft, structured appearance appropriate for professional or association use. Care is straightforward and the fleece tolerates regular washing without special handling.

This personalised fleece can be finished by embroidery or DTF printing. It is well suited to businesses, sports clubs, associations, schools and private customers for teamwear, events or gifts. Minimum order: 10 pieces (colours and sizes combined). Our graphic studio can retouch or vectorise your logo; collection from our Evere workshop or delivery in Belgium, France and Luxembourg is available.
