DESCRIPTION

The Robyn unisex parka is a mid-length coat designed for outdoor use by organisations and teams. Made from PET with a PVC coating and a quilted polyester Oxford 300d lining, it provides weather protection and steady insulation. It has a straight cut with a fleece-lined inner collar for comfort; follow the garment label for care instructions.

Functional details include a double-slider zip with a hook-and-loop storm flap and concealed press studs, a hood that tucks into the collar, two zipped exterior pockets with flaps, an internal pocket and cuff adjusters to refine the fit. Available in several colours (for example Black, Royal and Anthracite) and sizes XS to 4XL, it suits organisations seeking a consistent outer layer.

This personalised parka can be finished with embroidery or screen printing. Recommended for companies, associations, sports clubs, schools and private customers; minimum order: 5 pieces (colours and sizes combined). Our studio can retouch or vectorise your logo prior to production.
