DESCRIPTION

The Sporty Tt Women tank top is a fitted women's model with a racerback, designed for comfort during sport and exercise. It features a scooped neckline and bound edges at the neck and armholes for a clean finish and unrestricted movement. Offered in several colours (for example White, Black, Royal) and six sizes (XS to XXL), it works well as a standalone top or base layer. The garment is listed as cotton with a cut-and-sewn construction that helps retain shape through wear and washing.

Practical, tidy finishes: flat-stitched hems at the bottom and armholes and a streamlined look suited to teams and clubs seeking a lightweight, performance-oriented top. The fitted cut flatters without restricting motion, making it suitable for fitness sessions, training and event use.

This personalised tank top is available from a minimum order of 25 pieces (colours and sizes combined). Customisation techniques: screen printing, DTF printing, flex, multicolour transfer, embroidery. Recommended for businesses, sports clubs, associations, schools and individuals; our graphic studio can retouch or vectorise your logo to prepare it for printing.
