DESCRIPTION

This men’s sleeveless softshell bodywarmer combines a clean, technical cut with practical warmth: the Race Bw Men features a fleece lining, full front zip and a stand collar for wind protection. Constructed from PET with the outer fabric transitioning to 100% recycled polyester depending on stock, it offers stretch and good wearability. Available in several colourways — for example Rouge Piment, Royal and Noir — and sizes S to 4XL, it suits outdoor teams and everyday layering while remaining comfortable to wear.

The garment includes two zipped side pockets for secure storage, a straight cut that layers easily over garments and discreet finishes that make it suitable for decoration. The fleece inner improves thermal comfort without added bulk.

We can decorate this personalised bodywarmer by embroidery (embroidery) or multicolour transfer (transfer). Recommended for companies, sports clubs, associations and events. This product cannot be ordered per piece: minimum order 5 pieces (colours and sizes combined). Our graphic studio can vectorise or retouch your logo for marking.
