## DESCRIPTION

This women's sleeveless bodywarmer is designed for layering: the Race Bw Women pairs a two-layer softshell exterior with a fleece lining for added warmth and comfort. It features a feminine cut, stand-up collar and a full-length central zip for a neat fit, plus two zipped pockets for secure storage. Available in several colours (examples: Rouge Piment, Royal, French Marine) and sizes S to XXL. Main material listed as PET, with stock transitioning to recycled polyester.

The softshell construction gives a smooth finish and reliable shape, while the fleece lining enhances comfort against the skin and insulation. Clean seams and refined finishes suit professional use — outdoor events, team wear and everyday duties. Follow the manufacturer's wash instructions to preserve performance and appearance.

Customize this personalised bodywarmer with embroidery or multicolour transfer. Ideal for companies, sports clubs, associations, schools and individuals.
