DESCRIPTION

Women's slim-fit bodywarmer, the Wilson Bw Women is an ultra-light sleeveless jacket designed to add warmth without restricting movement. It features a slim cut, a small stand-up collar and horizontal baffles for a tidy look. Outer and lining are RPET polyamide; padding is in transition (while stock lasts: 90% down/10% feather, afterwards a Sorona and recycled polyester blend). Follow manufacturer care instructions to preserve the fill and shape.

Practical details include a central zip, two zipped front pockets and two inner pockets for small items. Packable with an in-bag system and stoppers for easy storage and transport. Available in several colours and sizes S to XXL, intended for women.

Personalise this personalised bodywarmer by embroidery (embroidery) for a clean, long-lasting result. Suited to companies, sports clubs, associations, events and private customers looking for branded apparel. Minimum order: 5 pieces (colours and sizes combined).
