DESCRIPTION

Men's slim-fit poplin shirt (65% polyester, 35% cotton) designed for professional wear. Long sleeves, a reinforced classic collar and a chest pocket deliver a crisp, structured look suitable for reception, service or meetings. Removable collar stays and a tonal button placket maintain a smart appearance after wear.

The shirt features adjustable two-button cuffs and a seven-button front. The slim cut flatters shoulders and waist without bulk; the polycotton fabric offers a clean drape and easy care for frequent use.

Order this personalised shirt for companies, clubs, associations or events. Customisation techniques available: embroidery, screen printing, DTF printing, flex and multicolour transfer. Offered in several colours including White and Black, in sizes S to 3XL. Minimum order: 10 pieces (colours and sizes combined). Our design studio can vectorise or retouch your logo for marking.
