DESCRIPTION

Unisex Garner tie in satin, designed for formal events, corporate wear or uniform use. The tie is specified as 100% polyester satin with a standard length of 150 cm and a width of 7 cm, providing a classic cut that knots easily and has a smooth drape. Its satin finish gives a smart appearance while remaining comfortable for extended wear; follow delicate-care recommendations from the supplier.

Offered in several colours, including Black and French Marine, this tie is supplied in size M and features a plain design without pockets or fastenings, making it versatile for corporate, school or event dress codes. To preserve the fabric, avoid harsh washing and use low-temperature ironing if needed.

Customisation available using our techniques: personalised tie by DTF printing, flex, multicolour transfer, embroidery or screen printing. Minimum order: 150 pieces (colours and sizes combined). Well suited to companies, clubs, associations, schools and events; our design studio can vectorise or retouch your logo prior to production.
