DESCRIPTION

This women's sleeveless bodywarmer offers a slim, feminine cut with a stand-up collar and central zip fastening. The outer shell and lining are polyamide (380T) with down filling currently at 90% down/10% feather, transitioning to 60% Sorona/40% recycled polyester depending on stock. It features two zipped front pockets and two inner pockets, and packs into an in-bag system with stoppers for easy storage. Available in several colours including French Marine and Black, in sizes S to XXL.

Horizontal quilting keeps the filling evenly distributed and gives a clean, streamlined appearance. Tricolour trim on the zip and pullers provides a neat finishing touch. Zipped pockets secure personal items, while the sleeveless design makes it ideal for layering over jumpers or light jackets.

This personalised bodywarmer can be finished by embroidery for a durable, professional mark. Suitable for companies, sports clubs, associations, events and private customers. Minimum order: 5 pieces (colours and sizes combined).
