DESCRIPTION

The Imperial V Men V-neck T-shirt is a men's cotton semi-combed ringspun model designed for everyday comfortable wear. It features a tubular construction, short sleeves, a neck tape and a V-neck with ribbed trim to keep the neckline looking neat and stable through regular laundering. Offered in several colours and sizes (S to 3XL), it suits teams, casual workwear and association events.

Finish details include the tubular build that reduces side seams for a smooth appearance and comfortable fit. The ribbed V-neck and neck tape reinforce the collar's shape. The fabric presents a clean look and is cared for like a standard cotton T-shirt.

This personalised V-neck T-shirt can be customised by screen printing, DTF printing, flex, multicolour transfer and embroidery. Recommended for companies, sports clubs, associations and events. Minimum order: 50 pieces (colours and sizes combined). Free weekday quote; our studio can vectorise or retouch your logo.
