DESCRIPTION

Crew neck sweatshirt for men with a straight cut and raglan sleeves, designed for everyday comfort. The brushed interior fleece provides warmth without bulk, while 2x2 ribbed cuffs and hem ensure good shape retention. Available in multiple colours and sizes XXS to 3XL, this model blends organic cotton and recycled polyester for a more sustainable option.

The sweatshirt features a classic crew neckline with an inner half-moon and neck tape for added comfort. Cut-and-sew construction and raglan sleeves offer freedom of movement and a clean drape, making it a practical piece that withstands regular wear and easy marking.

Customisable from 13 pieces, this personalised crew neck can be finished using embroidery, screen printing, DTF printing, flex and multicolour transfer. Suitable for businesses, sports clubs, associations, schools and events looking for an eco-conscious garment to carry their logo.
