DESCRIPTION

Gamma apron unisex in organic cotton, designed for professional and community use. This long apron features an adjustable neck with a buttonhole and a large front pocket divided into two compartments — practical for catering, workshops and events. The twill construction gives a structured look and easy care. Available in several colours (for example White, Black, Bordeaux), size M, dimensions 48x38x31cm.

Functional details include a generous front panel for clothing protection, neat seams and an adjustable neckline for quick fitting. The split front pocket keeps pens, notes or small tools within reach while the long cut protects lower garments without restricting movement.

Customisable for companies, clubs, associations and private clients (minimum order: 25 pieces, colours and sizes combined). Possible techniques: screen printing, DTF printing, flex, multicolour transfer and embroidery. Our design studio can retouch or vectorise your logo prior to production. Collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
