DESCRIPTION

The Columbia is a unisex crew neck sweatshirt in brushed fleece 280 g, made of 80% cotton and 20% GRS-certified recycled polyester. Its straight cut and set-in sleeves provide a clean, comfortable fit suitable for workwear, club use or schoolwear. Ribbed 1x1 cuffs, collar and hem give the garment good shape retention, and a taped neck increases wearer comfort. It comes in multiple colours — for example Black, Royal and Grey Marl II — and is available in sizes XXS to 5XL.

The design focuses on practical details: classic crew neckline, ribbed hems and a neat silhouette that accepts chest or torso branding without disrupting the fit. The brushed interior gives warmth and a soft touch while keeping the overall weight balanced.

This personalised sweatshirt is available with a minimum order of 13 pieces (colours and sizes combined). Customisation options include flex, embroidery, screen printing, DTF printing and multicolour transfer. Ideal for companies, sports clubs, associations, schools and private groups. Free quote within 24 h on weekdays and in-house studio support for logo vectorisation.
