DESCRIPTION

The Falcon Bw Women is a sleeveless zipped women’s bodywarmer made from RPET softshell (3-layer) with a recycled fleece inner. Its feminine cut offers comfortable movement while keeping a clean profile. The 5000 mm waterproof, breathable membrane and softshell fabric provide light rain protection and thermal comfort; care follows standards for technical polyester garments.

Practical details for everyday and active use include a stand collar, full-length zip, a zipped chest pocket and two zipped side pockets. Elastic binding at armholes and hem improves fit and retention. Available in several colours — for example Bleu Abysse, Vert Forêt and Anthracite — and in sizes S to 3XL.

This personalised bodywarmer can be decorated by embroidery or a multicolour transfer, suitable for companies, sports clubs, associations, schools, events and private orders. Minimum order: 5 pieces (colours and sizes combined). Our studio can retouch or vectorise your logo. Free quote within 24 hours on weekdays; standard production 10 working days. Collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
